## Hermann J. Weigand

Grimm: The Icy Touch John Shirley,2013-11-05 THE FIRST ORIGINAL NOVEL TO TIE-IN WITH THE HIT US SHOW, INSPIRED BY THE GRIMM BROTHERS' CLASSIC FAIRY TALES! Back in the 19th century a Wesen and a Grimm fight to the death. The Grimm wins, but the Wesen's son escapes and vows revenge. In the present day, Captain Renard sends Nick and Hank to investigate an international crime cartel named Le Touche Givre (The Icy Touch). They discover this deadly gang is run by Wesen, and is involved in various illegal activities, including forced prostitution and drug pushing. As they close in on the gang, Nick begins to realise that their charismatic and dangerous leader is just as intent on tracking him down...

*Being and Time* Martin Heidegger,1996-01-01 A new, definitive translation of Heidegger's most important work.

**The Postmodern Condition** Jean-François Lyotard,1984 In this book it explores science and technology, makes connections between these epistemic, cultural, and political trends, and develops profound insights into the nature of our postmodernity.

**Aesthetics of Religion** Alexandra K. Grieser,Jay Johnston,2017-12-18 This volume is the first English language presentation of the innovative approaches developed in the aesthetics of religion. The chapters present diverse material and detailed analysis on descriptive, methodological and theoretical concepts that together explore the potential of an aesthetic approach for investigating religion as a sensory and mediated practice. In dialogue with, yet different from, other major movements in the field (material culture, anthropology of the senses, for instance), it is the specific intent of this approach to create a framework for understanding the interplay between sensory, cognitive and socio-cultural aspects of world-construction. The volume demonstrates that aesthetics, as a theory of sensory knowledge, offers an elaborate repertoire of concepts that can help to understand religious traditions. These approaches take into account contemporary developments in scientific theories of perception, neuro-aesthetics and cultural studies, highlighting the socio-cultural and political context informing how humans perceive themselves and the world around them. Developing since the 1990s, the aesthetic approach has responded to debates in the study of religion, in particular striving to overcome biased categories that confined religion either to texts and abstract beliefs, or to an indisputable sui generis mode of experience. This volume documents what has been achieved to date, its significance for the study of religion and for interdisciplinary scholarship.

Wagner's Melodies David Trippett,2013-05-02 Wagner's Melodies places the composer's ideas about melody in the

context of the scientific discourse of his age.

**Virtual Art** Oliver Grau,2004-09-17 An overview of the art historical antecedents to virtual reality and the impact of virtual reality on contemporary conceptions of art. Although many people view virtual reality as a totally new phenomenon, it has its foundations in an unrecognized history of immersive images. Indeed, the search for illusionary visual space can be traced back to antiquity. In this book, Oliver Grau shows how virtual art fits into the art history of illusion and immersion. He describes the metamorphosis of the concepts of art and the image and relates those concepts to interactive art, interface design, agents, telepresence, and image evolution. Grau retells art history as media history, helping us to understand the phenomenon of virtual reality beyond the hype. Grau shows how each epoch used the technical means available to produce maximum illusion. He discusses frescoes such as those in the Villa dei Misteri in Pompeii and the gardens of the Villa Livia near Prima Porta, Renaissance and Baroque illusion spaces, and panoramas, which were the most developed form of illusion achieved through traditional methods of painting and the mass image medium before film. Through a detailed analysis of perhaps the most important German panorama, Anton von Werner's 1883 *The Battle of Sedan*, Grau shows how immersion produced emotional responses. He traces immersive cinema through Cinerama, Sensorama, Expanded Cinema, 3-D, Omnimax and IMAX, and the head mounted display with its military origins. He also examines those characteristics of virtual reality that distinguish it from earlier forms of illusionary art. His analysis draws on the work of contemporary artists and groups ART+COM, Maurice Benayoun, Charlotte Davies, Monika Fleischmann, Ken Goldberg, Agnes Hegedues, Eduardo Kac, Knowbotic Research, Laurent Mignonneau, Michael Naimark, Simon Penny, Daniela Plewe, Paul Sermon, Jeffrey Shaw, Karl Sims, Christa Sommerer, and Wolfgang Strauss. Grau offers not just a history of illusionary space but also a theoretical framework for analyzing its phenomenologies, functions, and strategies throughout history and into the future.

*A Singular Modernity* Fredric Jameson,2014-06-17 The concepts of modernity and modernism are amongst the most controversial and vigorously debated in contemporary philosophy and cultural theory. In this intervention, Fredric Jameson- perhaps the most influential and persuasive theorist of postmodernity-excavates and explores these notions in a fresh and illuminating manner. The extraordinary revival of discussions of modernity, as well as of new theories of artistic modernism, demands attention in its own right. It seems clear that the (provisional) disappearance of alternatives to capitalism plays its part in the universal attempt to revive 'modernity' as a social ideal. Yet the paradoxes of the concept illustrate its legitimate history and suggest some rules for avoiding its misuse as well. In this major interpretation of the problematic, Jameson concludes that both concepts are tainted, but nonetheless yield clues as to the nature of the phenomena they purported to theorize. His judicious and vigilant probing of both terms-which can probably not be banished at this late date-helps us clarify our present political and artistic situations.

*The Magic Mountain* Hermann J. Weigand,2020-05 Praised highly by Mann himself, Weigand's book (originally published

in 1933) is an essential piece of criticism on Mann's monumental novel. In his study of *The Magic Mountain* Weigand comments on the novel's genre and organization before dissecting the themes of disease and mysticism, Mann's use of irony, and other aspects of this masterpiece of German literature.

The Fairy Tale and Its Uses in Contemporary New Media and Popular Culture Claudia Schwabe, 2018-07-17 This book is a printed edition of the Special Issue *Fairy Tale and its Uses in Contemporary New Media and Popular Culture* that was published in *Humanities*

*Constructing Architecture* Andrea Deplazes, 2005-07-25 Now in its second edition: the trailblazing introduction and textbook on construction includes a new section on translucent materials and an article on the use of glass.

**Antisemitismus im 21. Jahrhundert** Marc Grimm, Bodo Kahmann, 2018-10-08 In den vergangenen Jahren vollzog sich eine deutlich beobachtbare Radikalisierung des Antisemitismus in Europa, die mit den islamistisch motivierten Terroranschlägen von Paris, Toulouse, Brüssel und Kopenhagen auch mörderische Konsequenzen hatte. Als Indikator für eine neue Qualität und Virulenz des Antisemitismus kann jedoch nicht nur der islamistische Antisemitismus gesehen werden, sondern auch die Zunahme von Antisemitismus in politisch und sozial arrivierten Kreisen und Milieus. Zugleich ist die Hemmschwelle für die Äußerung und Akzeptanz antisemitischer Ressentiments gesunken, sofern diese als „Israelkritik“ camouffiert sind. Parallel zu diesen Entwicklungen stellte der Antisemitismus sein Mobilisierungspotential für den politischen Protest auf der Straße unter Beweis, etwa im Rahmen der Mahnwachen für den Frieden und während des Gaza-Krieges 2014. Die Beiträge des Sammelbandes untersuchen Aspekte dieser Entwicklungen und befassen sich schwerpunktmäßig mit Antisemitismus in der öffentlichen Kommunikation, islamischen Antisemitismus und Antisemitismus in politischen Bewegungen. Mit Beiträgen von Alvin Rosenfeld, Dina Porat, Matthias Küntzel, Karin Stögner, Navras Alfreedi, Stephan Grigat, Amy Elman, Florian Markl, Franziska Kraus, Matthias J. Becker, Dana Ionescu, Daniel Rickenbacher, Zbyněk Tarant, Günther Jikeli, Ullrich Bauer, Michael Höttemann, Laura-Luise Hammel, Simon Gansinger

*Schule als Spiegel der Gesellschaft* Julia Bernstein, Marc Grimm, Stefan Müller, 2022-02-08 Erst wenn die Stimmen von Jüdinnen und Juden ernst genommen werden, können die Verletzungen, Diskriminierungen und sozialen Legitimationen von Antisemitismen, deren Auswirkungen auf jüdische Identitäten und auf die Gesellschaft verändert werden. Das vorliegende Buch schlägt daher einen Paradigmenwechsel auf jüdische Perspektiven vor. Im Band werden pädagogische Ansätze aus Forschung und Bildungspraxis für eine Auseinandersetzung mit Antisemitismus diskutiert, die für jüdische Perspektiven sensibel ist. Aufgezeigt werden Handlungsansätze für Lehrende, um durch Bildung zum Erkennen und Handeln gegen Antisemitismen, zu Mündigkeit und gleichberechtigter Teilhabe an Gesellschaft zu befähigen.

"... ein fortwährender lebendiger Zusammenhang" Jan Göschel, Rüdiger Grimm, 2024-09-20 Auch noch nach hundert Jahren ist der Heilpädagogische Kurs Rudolf Steiners ein Arbeitsbuch und eine Inspirationsquelle für eine dialogische

heilpädagogische Kultur. In dieser gesamten Zeit hat er die Entwicklung der internationalen Bewegung für anthroposophische Heilpädagogik und inklusive Lebensgestaltung maßgeblich impulsiert. Das Buch ... ein fortwährender lebendiger Zusammenhang ist das Gemeinschaftswerk einer Gruppe von Autorinnen und Autoren, die vor dem Hintergrund der Entstehungszeit des Kurses und in der Reflexion der gegenwärtigen Situation die Zukunftsperspektiven ausloten, die sich durch Steiners Ausführungen gewinnen lassen. So liegt der Schwerpunkt des Buches nicht in der Historizität von Steiners Ausführungen, sondern in der Reflexion seines genuinen Zugangs zu heilpädagogischen Fragestellungen und der Art und Weise, wie er sich dem Leben von Kindern zuwandte, die er bei seinen Ausführungen vor Augen hatte. Dabei ist entscheidend, wie der Heilpädagogische Kurs als Quelle und Mittel für die Entwicklung einer personalen wie auch gemeinschaftlichen heilpädagogischen Wissenschaft und Kunst angewendet werden kann. Auch noch nach hundert Jahren ist der Heilpädagogische Kurs Rudolf Steiners ein Arbeitsbuch und eine Inspirationsquelle für eine dialogische heilpädagogische Kultur. In dieser gesamten Zeit hat er die Entwicklung der internationalen Bewegung für anthroposophische Heilpädagogik und inklusive Lebensgestaltung maßgeblich impulsiert.

**Towards a General Theory of Translational Action** Katharina Reiss, Hans J Vermeer, 2014-04-08 This is the first English translation of the seminal book by Katharina Reiß and Hans Vermeer, *Grundlegung einer allgemeinen Translationstheorie*, first published in 1984. The first part of the book was written by Vermeer and explains the theoretical foundations and basic principles of skopos theory as a general theory of translation and interpreting or 'translational action', whereas the second part, penned by Katharina Reiß, seeks to integrate her text-typological approach, first presented in 1971, as a 'specific theory' that focuses on those cases in which the skopos requires equivalence of functions between the source and target texts. Almost 30 years after it first appeared, this key publication is now finally accessible to the next generations of translation scholars. In her translation, Christiane Nord attempts to put skopos theory and her own concept of 'function plus loyalty' to the test, by producing a comprehensible, acceptable text for a rather heterogeneous audience of English-speaking students and scholars all over the world, at the same time as acting as a loyal intermediary for the authors, to whom she feels deeply indebted as a former student and colleague.

*The Theory of Money and Credit* Ludwig Von Mises, 1953

*Nietzsche as German Philosopher* Otfried Höffe, 2021-02-03 This collection brings together in translation the finest postwar German-language scholarship on Nietzsche's philosophy, ranging over his concept of irony, his thoughts on music, his relation to the pre-Socratics, his concept of truth, and numerous other topics. Many of the essays appear in English here for the first time, and all are newly translated for the volume.

**On Heroes, Hero-worship, and the Heroic in History** Thomas Carlyle, 1861

A Struggle for Rome V 1 Felix Dahn, 2022-01-05

## **A History of Political Economy** John Kells Ingram, 1888

*Urbane Transformation durch soziale Innovation* Christian Peer, Emanuela Semlitsch, Simon Güntner, Mara Haas, Andreas Bernögger, 2024-06-20 Die Transformation zur Nachhaltigkeit steht weit oben auf der Agenda europäischer Städte. Für die gelingende Bewältigung dieses grundlegenden und weitreichenden Wandels ist es nötig, sich über Begriffe und Konzepte zu verständigen. Denn auch diese verändern sich, werden unterschiedlich verwendet und gedeutet, gesellschaftlich ausverhandelt, hinterfragt, verworfen, vergessen und neu entdeckt. Dieser Sammelband will zu konzeptioneller Klarheit beitragen und zugleich neue Perspektiven für die praktische und wissenschaftliche Auseinandersetzung mit urbaner Transformation eröffnen. Unter Einbeziehung unterschiedlicher und auch kontroverser Positionen widmen sich die Autor\*innen je einem Schlüsselbegriff. Der Akzent auf soziale Innovation – selbst ein schillerndes und kritisch zu diskutierendes Konzept – wurde gesetzt, um nach wie vor dominierende technik- und ökonomiezentrierte Ansätze herauszufordern und damit den Spielraum für nachhaltige Ansätze der urbanen Transformation zu erweitern.

## Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **FilePDFgrimm Wesen**

In a global inundated with screens and the cacophony of quick communication, the profound energy and mental resonance of verbal artistry frequently disappear into obscurity, eclipsed by the continuous assault of sound and distractions. However, located within the musical pages of **FilePDFgrimm Wesen**, a fascinating perform of fictional elegance that impulses with organic feelings, lies an unique journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, that interesting opus guides readers on an emotional odyssey, lightly exposing the latent potential and profound affect stuck within the intricate internet of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book is central themes, dissect their fascinating publishing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
