Case Interview Secrets Victor Cheng, 2012 Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

Hacking the Case Interview Taylor Warfield, 2017 To land a management consulting job at any of the top firms, including McKinsey, BCG, Bain, Deloitte, L.E.K., Oliver Wyman and Accenture, you must get through several rounds of case interviews. Whether your interview is in a few weeks or even tomorrow, this book is written to get you the maximum amount of knowledge in the least amount of time. I cut out all of the filler material that some other consulting books have, and tell you everything that you need to know in a clear and direct way. With this shortcut guide, you will: Understand and become proficient at the nine different parts of a case interview, and know exactly what to say and do in each step Learn the only framework strategy that you need to memorize to craft unique and tailored frameworks for every possible case scenario Gain knowledge of basic business terms and principles so that you can develop an astute business intuition Acquire the skills to solve any market sizing or other quantitative problem Uncover how to differentiate yourself from the thousands of other candidates who are fighting to get the same job you are Practice your case interview skills with included practice cases and sample answers Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

Case in Point Marc Cosentino, 2011 Marc Cosentino demystifies the consulting case interview. He takes you inside a typical interview by exploring the various types of case questions and he shares with you the acclaimed Ivy Case System which will give you the confidence to answer even the most sophisticated cases. The book includes over 40 strategy cases, a number of case starts exercises, several human capital cases, a section on marketing cases and 21 ways to cut costs.

The Ultimate Case Interview Workbook Taylor Warfield, 2019-07-31 In The Ultimate Case Interview Workbook, you'll sharpen your case interview skills to dominate your upcoming interview and land your dream consulting job. Taylor Warfield, a former Bain management consultant and interviewer, provides essential practice problems and challenging cases to develop the skills needed to get multiple job offers. Use this workbook to access: 65+ problems tailored towards each type of question in case interviews Feel confident across a range of interview questions including framework questions, market sizing problems, profitability assessments, breakeven analysis, charts & graphs analysis, brainstorming questions, and other

qualitative questions 15 full-length cases based on McKinsey, BCG, and Bain interviews Build business acumen across a variety of industries (e.g., technology, retail, healthcare, energy, finance, non-profit) and functions (e.g., strategy, operations) Efficient practice that can be done individually or with a partner Save yourself time by working through carefully crafted practice problems and cases that teach you a new concept, strategy, or takeaway each time Warfield's former students include undergraduates, MBAs, advanced degree holders, and experienced hires. They have landed job offers at top consulting firms, including McKinsey, BCG, Bain, Deloitte, L.E.K., Oliver Wyman, and Accenture as well as at Fortune 500 strategy groups. I felt really confident after my McKinsey interview - this book's cases prepared me perfectly! They were very similar to the ones I received in my first and final round interviews. -McKinsey Consultant, Wharton MBA Candidate I had very little time before my next BCG interview. This book provided me with plenty of practice that I could do by myself. After working through these cases, I felt excited going into my interviews. -BCG Associate, Experienced Hire These cases were much higher quality than those found in other case books. The explanations were detailed and thorough and I got to practice thinking like a true consultant. -Bain Consultant, Stanford Undergraduate Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

Case Interviews for Beginners Stephen Pidgeon, 2014 Need to learn case interviews but don't know where to start? This book is designed to get you up and running. By using scripted examples and interviews with experienced recruiters it gives readers an understanding of what a case actually is, and how they can start to prepare. Case interviews are used extensively by most major recruiters, including McKinsey, Bain, BCG, Amazon, Google and many more, and this book contains interviews with recruiters from all of the above companies. The author, Stephen Pidgeon, is a former McKinsey consultant and interviewer who now works as a career coach at the Tuck School of Business. He coaches hundreds of candidates every year, many of whom are successful in their goal of landing their dream job. He is also the author of 'How to get a job in consulting'.

The Healthcare Consultant's Handbook: Career Opportunities and Best Practices Scott A. Mason, 2021-01-04 In an era of increasing complexity in healthcare, consultants can help organizations address inefficiencies, improve patient experiences, and set overall strategy. The most successful consultants do so through a lens of authenticity, recognizing that earning their clients' trust is key to achieving their full potential in this critical role. The Healthcare Consultant's Handbook: Career Opportunities and Best Practices offers insight into the essential role of the healthcare consultant. Author Scott A. Mason draws on more than 40 years of experience to reveal the realities of management consulting for healthcare organizations and the traits and strengths necessary for success. He looks at the common challenges healthcare consultants face and how best to overcome them. The book explores the role of the independent consultant, offers practical guidance on what to expect when working for a consulting firm and reveals what it takes to be an exceptional consultant. Various types of

consulting are identified, along with types of consulting firms--profiling several prominent companies--and strategies for determining what type of firm is the best fit. Mason also provides a detailed look at: - Myths surrounding healthcare consulting - The client-consultant relationship from all perspectives - Unique elements of the healthcare sector that consultants often focus on - Differences between healthcare consulting and general management consulting - Key lessons learned from challenging client engagements With this book, new and prospective healthcare consultants will gain a greater understanding of the craft and practical insight into what truly makes a consultant exceptional.

An Introduction to Management Consultancy Marc Baaij,2013-12-30 'I have never seen such a book about management consulting before: this sets a new standard. This book is extremely thorough and addresses all of the relevant topics.' - Sander van 't Noordende, Group Chief Executive Products Operating Group, Accenture Whether you are looking to build on your management studies or experience of working in business, you are likely to have come across management consultancy and will need a clear and concise introduction to this area to help you understand its practices and techniques in order to hire and implement management consultancy in the future. This text provides you with these essentials for success in your studies and later industries when working with and not just for consultancy firms. The text is built around learning objectives to empower your understanding of the 'what', 'how', 'when' and 'why' at macro and micro levels of management consultancy and its stakeholders, and provides you with engaging real life examples and extra web materials for study. As well as full courses on management consultancy, this text will be invaluable to your management knowledge and skill-set across strategy, change, analytics, problem-solving, solution implementation and decision-making as applied by the world's top management consulting firms, such as McKinsey & Company, The Boston Consulting Group, and Bain & Company. How to Get a Job in Consulting Stephen Pidgeon, 2013 The goal of this book is to help you get a job with a top management consulting company. Its primary audience is current and prospective MBA students, although it should also be very useful to anyone going through one of the other channels into consulting, including undergraduate recruiting and

experienced hires. It gives candidates an in-depth, insider look at the entire process of recruiting, including how to get the most out of on-campus events, how to network, how to prepare for interviews, and how to succeed in interviews. Why should you listen to me (or buy this book)? I believe I'm in a fairly unique situation that gives me a lot of insight into consulting recruiting. I've been through it as a student, a consultant, and now a career coach at Tuck, a top Business School, where it's my job to counsel students and help them get their dream consulting job. Each year I provide personal counseling and coaching to over a hundred students who are trying to get a job in consulting. Many of the students I've counseled are now working at top consulting companies like McKinsey, Bain and BCG or are headed there soon. I also work closely with recruiters to help them achieve their goal of hiring the best candidates. Part of my job is to understand the nuances between firms, and to keep abreast of how each firm runs its recruiting and interviewing process. I do this by maintaining close relationships with both senior consultants and recruiting staff at each firm and regularly talking with them about these issues.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Case Studies in Clinical Psychological Science William O'Donohue, William T. O'Donohue, Scott O.

Lilienfeld,2013-03-14 Case Studies in Clinical Psychological Science demonstrates in detail how the clinical science model can be applied to actual cases. This book's unique structure presents dialogues between leading clinical researchers regarding the treatment of a wide variety of psychological problems.

Case in Point 10 Marc Cosentino,2018-05-16 Featuring the Ivy Case System - including a section on government and nonprofit cases.

The Pyramid Principle Barbara Minto,2021 This book reveals that the mind automatically sorts information into distinctive pyramidal groupings. However, if any group of ideas are arranged into a pyramid structure in the first place, not only will it save valuable time and effort to write, it will take even less effort to read and comprehend it

Case in Point: Government and Nonprofit: Case Interview and Strategic Preparation for Consulting Interviews in the Public Sector Marc Cosentino,Evan Piekara,2019-02-03 Case interviews come in all formats. The key, as an interviewee, is being prepared. Know what the interviewer is looking for, know the industry/sector, the jargon, the constraints and stakeholders, and how people in the industry operate. Government and nonprofit cases span a wide variety of problems, issues, stakeholders, and politics, which makes them trickier than private sector case interviews.

Quant Job Interview Questions and Answers Mark Joshi,Nick Denson,Nicholas Denson,Andrew Downes,2013 The quant job market has never been tougher. Extensive preparation is essential. Expanding on the successful first edition, this second edition has been updated to reflect the latest questions asked. It now provides over 300 interview questions taken from actual interviews in the City and Wall Street. Each question comes with a full detailed solution, discussion of what the interviewer is seeking and possible follow-up questions. Topics covered include option pricing, probability, mathematics, numerical algorithms and C++, as well as a discussion of the interview process and the non-technical interview. All three authors have worked as quants and they have done many interviews from both sides of the desk. Mark Joshi has written many papers and books including the very successful introductory textbook, The Concepts and Practice of Mathematical Finance.

Social Science Research Anol Bhattacharjee,2012-03-16 This book is designed to introduce doctoral and graduate students to the process of scientific research in the social sciences, business, education, public health, and related disciplines.

Interview Math Lewis C.
