Lester Kaufman, Jane Straus

The Eight Parts of Speech Kristine Setting Clark, 2017-10-04 Simply English - 8 Parts of Speech is a guide to help students become familiar with the basic units of grammar. Each part of speech is defined with tips and examples for identification. Practice exercises are then provided for identifying each part of speech. Be sure to have students read over the Quick Reference (at the end of the textbook) to familiarize themselves with the eight parts of speech. It includes definitions, key words and examples. This reference can be used as a study guide and when preparing for exams. The curriculum is very flexible allowing you to introduce each part of speech, usage concept and exercises at the students' own pace. Of course this will depend on the level of their previous exposure to English grammar. The concepts taught here are more likely to become entrenched if the ideas are incorporated into the students' other writing assignments

Introduction to the Grammar of English Rodney Huddleston, 1984-09-27 Written for students without knowledge of linguistics and unfamiliar with traditional grammar, this text concentrates on providing a much needed foundation in Standard English in preparation for more advanced work in theoretical linguistics.

Accidence Will Happen Oliver Kamm, 2015-02-12 Are standards of English alright - or should that be all right? To knowingly split an infinitive or not to? And what about ending a sentence with preposition, or for that matter beginning one with 'and'? We learn language by instinct, but good English, the pedants tell us, requires rules. Yet, as Oliver Kamm demonstrates, many of the purists' prohibitions are bogus and can be cheerfully disregarded. ACCIDENCE WILL HAPPEN is an authoritative and deeply reassuring guide to grammar, style and the linguistic conundrums we all face. 'A unique and indispensable guide to usage' STEVEN PINKER 'An immensely intelligent and playful polemic, cheeky and erudite by turns...certainly gets the blood pumping, so do read it' THE TIMES 'A superb book' INDEPENDENT
